Investing in Our Community, Today and Always

Dear Friend,

Every year, the Roscommon County Community Foundation invites local businesses, organizations, and individuals to join the Foundation's Ambassador Club. Last year, community members such as MyMichigan Health, Buccilli's Pizza, and Camping World generously sponsored the Foundation. Sponsorship allows us to host events and spread awareness in the community - for example, thanks to our Ambassador Club members, we were able to celebrate the Foundation's 25th anniversary last summer by giving out free ice cream.

What's in it for you and your business? Your generosity will be publicly recognized through:

- Our 2023 annual report
- Our website and social media
- A large banner, displaying the 2023 Ambassador Club member logos at all community events attended by the Foundation
- A banner always on display in our office
- An advertisement published in local newspapers
- Your own yard sign that will proudly display your support of the Foundation to the community

Thank you for taking the time to consider supporting the good work being done through your Foundation's Ambassador Club. We rely on sponsorship to conduct these activities and appreciate your support. Please don't hesitate to contact us with your questions about the Ambassador Club or the Roscommon County Community Foundation.

Sincerely,

Suzanne E. Luck
